

Dear \_\_\_\_\_,

On July 22, 2023, I will be participating in the [14<sup>th</sup> Annual Run to Home Base](#) presented by Raytheon Technologies, raising awareness and funds to support Home Base, a Red Sox Foundation and Mass General Program, and their important mission to provide care and support to those impacted by the invisible wounds.

The Run to Home Base is Home Base's most critical, annual fundraiser providing vital funds for the clinical care and support for our Veterans and their Families who are impacted by the invisible wounds of war. Alarminglly the rate of Veteran and Military suicides continues to rise. **In 2020, suicide was the second leading cause of death among Veterans under age 45 and the suicide rate for Veterans was 57.3% greater than for non-Veteran U.S. adults.**

The care provided by Home Base is needed now more than ever, as the extended COVID crisis continues to further impact the wellbeing of our Veterans, Service Members, and Military Families.

This year, I have pledged to raise a minimum of \$\_\_\_\_\_ and am more determined than ever to help raise money to ensure our Veterans and their Families receive the assistance and support they need and deserve at Home Base. Please join me by making Home Base your avenue to making a difference in the lives of our Veterans and their Families by donating to my efforts.

***100% of your donation will help provide life-saving care and support for the Veterans and Families served at Home Base.***

You can support my efforts by donating directly to my fundraising page:
